

# BET YOU CAN'T FIND ME

In the brush, on the ground,  
We are here, all around.  
In the stream, in a tree,  
Bet you can't find me, boys,  
bet you can't find me.  
Oh\_\_\_, bet you can't find me.

In the leaves, under roots,  
In your tent, in your boots.  
Over here, in your tea.  
Bet you can't find me, boys,  
Bet you can't find me.  
Oh\_\_\_, bet you can't find me.

Brown, brown, brown looks good on me.  
It's the color of the free.  
Brown, brown, brown,  
oh, brown looks good on me.  
It's the color of the free!

What's that bump 'neath the rock?  
What's that lump in your sock?  
What's that itch on your knee?  
Bet you can't find me, boys,  
Bet you can't find me.  
Oh\_\_\_, bet you can't find me.  
No\_\_\_\_\_, bet you can't find me!
