

Scene 7: The Future

Taki - Athena
Tut - Simon P
Lucy - Gracie

Riki - Hannah
Ret - Tula
Lucky -Evan H

Lucy: Well, that's probably about enough for one day, guys. These old bones are aching and needing a bath.

Taki: This has been such an amazing adventure! I feel like we've learned so much.

Tut: No kidding! My brain can't hold another thing!

Lucky: The great thing about studying the past is that you can learn so much about who we are and who we might become.

Riki: Doesn't it make you feel very small and insignificant sometimes?

Lucky: Not really, Riki. It makes me feel a part of something bigger than myself.

Lucy: Yeah! Everything anybody ever did before me changed the world for me.

Ret: That means that everything WE do will change the world for those who follow us.

Taki: That's awesome!

R/R/T/T: We matter!

Tut: So, here's to the past, both big and small.

Taki: And here's to the future, for one and for all.

Lucky / Lucy: I really don't know if this is gonna work.....

(They toast. During the introduction of the song, some characters from all civilizations gather together onstage)
