

So Long Ago

If you really want to know,
Pay attention to our show.
When you do, we think you'll see.
You can learn from history.
Take a look at Greece or Rome,
And the folks who call it home.
If you give your brain a turn,
There is just so much to learn
From long ago!
So long ago!
Gee, it happened long ago.

We can travel up the Nile.
Take a cruise Egyptian style.
Maybe hike on the Great Wall.
If you like, we'll do it all.
There's so much to history.
Take a tip from Ptolemy.
From Iraq to Hackensack,
This is your chance to go back
To long ago!
So long ago!
Gee, it happened long ago!

Part 1: (Repeated)

What can we learn from the past?
That we don't already know?
What will we see? What will we hear?
When we dance back through the
years?

Part 2: (Repeated)

What can we learn?
That we don't know.
What will we see?
What we'll hear when we dance back
through the years.

Coda:

So long ago!
So long ago!
Gee, it happened long-a
See, it happened long-a
Gee, it happened long ago!
Gee, it happened long ago!

The Land Between...

Rivers flow; makes things
grow.
Living through all kinds of
weather.
We all know the seeds we'll
sow
Are bringing the people
together.

Two rivers, many people.
Come together on the land.
One vision, all people.
The land between two rivers is
our home.

Day by day, year by year.
Building a land like no other.
Never stop, never fear.
Build for your sister and
brother.

Two rivers, many people.
Come together on the land.
One vision, all people.
The land between two rivers is
our home.

The land between two rivers is
our home between two rivers.
Many people, come together
on the land.
One vision, all people.
The land between two rivers is
our home.
We are home!

In My Tomb

There I was just a sitting by the Nile.
Long came a Pharaoh and he stayed
a while.
Said "Build a pyramid clear up to the
sky
So I have a place to lay me down if
ever I should die."
In my tomb. In my tomb. (both
downward!)

Got to get ready for the afterlife.
I'd like to take some guards along and
my newest wife!
Now I'll have to have some food, but I
worn't need a car.
Put my drinks in an urn and my
organs in a jar.
In my tomb. In my tomb. In my tomb.
(down, up, down)

I like a lot of jewelry and if I have a
vote.
Put me in a mask and don't forget a
boat.
Bury me with gold and a million
candlesticks.
They can learn a lot about me with
your hieroglyphics.

In my tomb. In my tomb. In my tomb.
(down, up, down)

I like a lot of jewelry and if I have a
vote.
Put me in a mask and don't forget a
boat.
Bury me with gold and a million
candlesticks.
They can learn a lot about me with

Valleys! Himalayas! Hindu!

This is the land of the dynasty,
Stronger than any on earth!

unity!
This is the land of rebirth!

Mountains! Monsoons! Rivers!
Valleys! Himalayas! Hindu!
Buddha! India!

We take the silk as a gift to us,
Weaving a fine tapestry.
This is the strength shared by
all of us.
This is the fine dynasty!

Shang! Han! Zhou! Xia!
Deserts! The Great Wall! Asia!
China!

Greece is the Word

There are so many groovy things
that we got from the Greeks.
Comedy and tragedy and even
words we speak.
I could tell you all of them, but it
would take a week.
And though it all may seem
absurd, Greece is the Word!

So you see there really is so very
much to learn.
What is an acropolis and what's a
Grecian urn?
Everything is Greek to me so
Greece is my concern.
Why don't you take a turn? For
Greece is the Word!

Ay yi yi yi, Everybody dance.
Ay yi yi yi, Come and take a
chance.
Ay yi yi yi, Stamp and clap your
hands.
Do the Grecian dance along with
me.

From them came Olympics and
the first democracy.
Not to mention Baklava and even
botany.
Architects and algebra and sweet
Antigone.
I think it's plain to see, Greece is
the Word!

So you see there really is so very
much to learn.
What is an acropolis and what's a
Grecian urn?

Everything is Greek to me so
Greece is my concern.
Why don't you take a turn? For
Greece is the Word!

(Part two:)

Dance, Dance, Everybody dance.
Dance, Dance, Come and take a
chance.
Dance, Dance, Stamp and clap
your hands.
Do the Grecian dance along with
me.

(Part 1 and 2 together)

Ay yi yi yi, Everybody dance.
Ay yi yi yi, Come and take a
chance.
Ay yi yi yi, Stamp and clap your
hands.
Do the Grecian dance along with
me.

Do the Grecian dance along with
me.
Do the Grecian dance along with
me. Opa!

Here's to the Future

Here's to the future, here's to the
past.
Here's to the memories, we pray
they'll last.
We keep on moving and as we
grow.
Here's to the future, and on we
go.

Here's to tomorrow, Here's to
today.
Through joy or sorrow, we'll be
okay.
Oh, we keep on dreaming,
And as we do.
Here's to tomorrow: dreams do
come true.

Here's to the future, here's to the
past.
Here's to the memories, we pray
they'll last.
Oh, we keep on moving and as
we grow.
Here's to the future, and on we
go.

And on we go, And on we go,
And on we go,
And on we go, And on we go.
