## I'M THE KING

I keep my feet in blue suede shoes,  
I like rock and roll and I dig the blues.  
My body starts movin' when I sing, 'cuz I'm the King

He's the king! He's the king! Huh!

Yeah, I'm the king. (King, king, he's the king.)  
Yeah, I'm the king. (King, king, he's the king.)

Now don't cha call me Count or the Duke of Earl,  
'Cuz I'm the king.

He's the king! He's the king! Huh!

Now you can, love me tender and I'll be your teddy bear!  
And even that lazy ol' hound dog knows I ain't no square.

I've got 'em all shook up down at the Heartbreak Hotel,  
When I play my guitar just like a ringing a bell,  
Uh, well I thank my lucky stars above  
'cuz I'm a hunk a hunk a hunk of burning love!

Yeah, I'm the king. (King, king, he's the king.)  
Yeah, I'm the king. (King, king, he's the king.)

Now don't cha call me Count or the Duke of Earl,  
'Cuz I'm the king.

He's the king! He's the king!

Yeah, I'm the king. The real King of rock and roll!

## **WE NEVER CUT OUR HAIR**

We shake our heads out in the air.  
We really haven't got a care.  
What do we say when people stop and stare,  
We never cut our hair.

We're warning barbers to beware.  
Aware that we've got hair to spare.  
Go ahead and criticize us if you dare,  
We never cut our hair.

We're fab we're famous you know nothing can compare.  
Don't try to change us cuz you haven't got a prayer, got a  
prayer, got a prayer.

We're here, we're there, we're everywhere.  
We drive our parents to despair.  
Our hair has flair that's rare and this we swear,  
We never cut our hair.  
We never cut our hair.  
No, no, no, no!  
YEAH!

## **DISCO**

Disco! Has a beat for your feet.  
Disco, it repeats and repeats.  
Disco, not much to understand, it keeps pounding pounding  
pounding.

Disco, not much melody.  
Disco, not much harmony.  
Disco, not much subtlety,  
It keeps pounding, pounding, pounding.

(clapping pattern)  
D I S C O, can't hear a thing at the  
D I S C O, guess who I saw?  
John Travolta was there in his white poly wear,  
If he's lucky his pants won't tear.  
Don't go there!

D I S C O, my mother warned me 'bout,  
D I S C O, why did I go?  
It's hard to find your groove when there's no room to move,  
Tell me what are you trying to prove?  
Better forget about it.

## HOT SUMMER NIGHTS / LET'S SURF

Hot summer nights, when we met,  
Slow dancing, we'll never forget.  
Now the sun is shining, and the sky is blue.  
So hop in my woody, here's what we can do.

Let's go surfing at Malibu,  
Sha na na na, Let's go surf!  
You know there's plenty of sun and fun for you.  
Sha na na na, Let's go surf!  
Oh you can catch a wave, you can shoot the curl,  
It's party time for every boy and girl,  
Oh \_\_\_\_\_ Let's surf!

I've got the beach boys blasting on the radio,  
Sha na na na, Let's go surf!  
I'm wearing my baggies and I'm ready to go,  
Sha na na na, Let's go surf!  
So wax up your board and hold on tight,  
when you catch a wave, it's out of sight!  
Oh \_\_\_\_\_ Let's surf!

Oooooooooo \_\_\_\_\_  
Oooooooooo \_\_\_\_\_  
So wax up your board and hold on tight,  
When you catch a wave, it's out of sight!  
Oh \_\_\_\_\_ Let's surf!  
SURF'S UP!

## I'M CALLING MY MOTHER

Flower pollen in my eyes.  
Kooky people on every side.  
Guitars are way past amplified.  
Guess I can kiss my ears goodbye.  
I'm calling my mother right now.  
I'm outta here.

## TOGETHER

Together, you and me.  
Together, that's the way it should be.  
Together we can agree that we can love one another.  
Together.

We can fix what's wrong, together.  
We can do what's right, together.  
We can give peace a chance  
Together,  
If we try, If we try.  
If we try, If we try.

Together, you and me.  
Together, that's the way it should be.  
Together we can agree that we can love one another.  
Together.  
Together.  
Together.

### **PLEASE MISTER POSTMAN**

Oh yes, wait a minute Mister Postman,  
Wait, Mister Postman.

Please, Mister Postman, look and see.  
Is there a letter in your bag for me?  
I've been waiting a long, long time.  
Since I heard from that friend of mine.

There must be some word today.  
From my friend so far away.  
Please, Mister Postman look and see  
If there's a letter, a letter for me?

Please, Mister Postman, look and see.  
Is there a letter in your bag for me?  
I've been waiting a long long time,  
Since I heard from that friend of mine.

So many days you passed me by,  
See the tears standing in my eyes.  
You didn't stop to make me feel better,  
By leaving me a card or a letter.

Please, Mister Postman, look and see.  
Is there a letter in your bag for me?  
I've been waiting a long, long time.  
Since I heard from that friend of mine.

You've got to wait a minute, wait a minute.  
Oh yeah !  
You've better wait a minute, wait a minute.  
Oh yeah!  
You gotta wait a minute, wait a minute,  
Oh, yeah!  
Deliver the letter, the sooner the better.

You've got to wait a minute, wait a minute.  
Oh yeah !  
You've better wait a minute, wait a minute.  
Oh yeah!  
You gotta wait a minute, wait a minute.  
Oh, yeah!  
Deliver the letter, the sooner the better.

### **IT'S IN MY SOUL**

When I wake in the midnight hour,  
And I go for a midnight stroll.  
In my heart I can feel the power.  
It's in my soul, in my soul.

Now we're a new generation.  
All across the nation.  
Every boy and every girl,  
We respect ourselves around the world!

When I wake in the midnight hour,  
And I go for a midnight stroll,  
In my heart I can feel the power,  
It's in my soul, in my soul.  
It's in my soul, in my soul.  
It's in my soul, in my soul.  
It's in my soul, in my soul.  
It's in my soul!
