

SCENE 2:

Worm 1 Oskar

Worm 2 Hannah

Worm 3 Sebastian

Worm 4 Camillie

Worm 5 Violet

Worm 1: I know what you're thinking. I see it in your eyes. We're used to it by now, so it's no big surprise.

Worm 2: You're thinking: "My goodness, they look rather slimy. Oh my, aren't they slippery, slithery and slimy!"

Worm 3: And you would be right with most of those terms. You see ladies and gentleman, WE are the worms!

Worm 4: But before you faint or even say "Ew," give us a chance! . Let us all sing for you.

Worm 5: We do lots of good, believe it or not. So let us remind you, in case you forgot.

SONG 2: COOL TO BE A WORM

(During song)

Worm 1: Let's kick it up a notch!

Worm 2: Hey, worms don't "kick" remember?

Worm 3: Right, we'll then let's just sing it up a step! (Finish Song)
